Terry, Earl, and Kevin:

Attached are the support plans in electronic format for the Avery Landing EE/CA Work Plan, except for the Treatability Study (due early March 2009). Golder Associate Inc. has sent four hard copies of these support plans to Earl Liverman (EPA) and a hard copy to Kevin Beaton to be delivered on Monday, February 23, 2009. Please let me know if you do not receive your hard copies. Thank you!!!
